Hi!

Attached are the raw notes I provided to the committee at the end of each day. Katrina gave them till April 26 to submit their drafts. She will organize and I will send updated draft report out to folks to review prior to our May 10 public call. There will probably be minor changes as a result of that meeting but I suspect by May 20 I will send to the EC.

Thanks!

Tom

Tom:

Do you have an idea as to when we can receive what from the CSS-HHRA BOSC subcommittee? For example, the working notes they had by the end of the meeting on Friday – will we have an opportunity to look at? When will the subcommittee turn over a draft report to the BOSC Executive Committee?

Thanks.

Jeff
